WINTER SPRINGS - Crossman & Company has been selected to lease and manage the Winter Springs Town Center.

Developed by the James Doran Company, the mixed-use, New Urbanist project is at the northwest corner of SR 434 and Tuskawilla Road. At buildout, the Winter Springs Town Center will total 215,580sf, and 141,000sf is now open with new construction under way.

Master plans for Winter Springs Town Center include a marketplace with a selection of national and locally-owned retailers and restaurants. This town center project is at the epicenter of a 400-acre master planned community. Dense urban zoning will ensure long-term growth in both residential and daytime population in the area.

Current tenants include Publix, Barnie's, Great Clips, H&R Block, State Farm, Subway and the UPS Store.
